STUDENT BUS TIMETABLE

WELCOME TO HOF!

Welcome to Hof!

Whether you're heading to class, into the city centre, to the train station or back home after a long day, HofBus will get you where you need to go – comfortably and reliably. To help you find your way around from the very start, we've compiled the most important bus connections for students in this timetable booklet. Hof's student residences are also well connected:

Eichelberg Student Residence

Located right on the university campus, the Eichelberg residence is only a short walk from the "Hochschule" bus stop. It is served by routes 1505, 1506, 1507 and 1510, school service 15E17, additional service 15V22 and late services 1515 and 1518.

Saalepark Student Residence

From the residential complex on Fabrikzeile, you can reach the "Ottostraße" stop via lines 1505 and 1510, the school bus line 15E17, and the late-night lines 1515 and 1518. The "HofBad" and "Königstraße" stops are also within walking distance—from there, you'll find additional connections to the university, the main train station, and Sonnenplatz.

Schützenstraße Student Residence

The "Wohnanlage Schützenstraße" bus stop is located right by the residence and is served by routes 1509 and 1511, school service 15E3 and late services 1516 and 1518. Alternatively, the "Oberes Tor" stop is within walking distance and offers further connections towards "Hochschule", "Hauptbahnhof" and "Sonnenplatz".

And if the day runs a little late...

... our evening services will still get you where you need to go. This timetable booklet includes route 1515, serving "Hochschule", "Breslaustraße" and "Hauptbahnhof", as well as route 1518, which connects "Hauptbahnhof" and "Hochschule". So hop on, sit back and explore Hof!

We wish you a great start to the semester and safe travels at all times!
